HVAC LINE CARD

ACCUSTAT

ACCUSTATORS

Actuators, enclosures, combustion controls, compressors, controllers, temperature thermostats, sensors, gauges, pneumatic controls, relays, contactors

ACE

Coil cleaner, refrigeration oil, drain pan treatment, specialty chemical

AMPROBE

Electrical test instruments, thermometers, clamp meters, gas leak detectors, refrigerant leak detectors, temperature and humidity detectors

ANTUNES CONTROLS

Gas pressure switches, custom electronic controls, time and temperature controllers, freeze stats and high limit controllers

ASGO

Solenoid valves, tripoint, pressure switches, Joucomatic

ASGO GENERAL CONTROLS

Hydra motors, combustion, solenoid gas valves, Barton industrial

BARBER-COLMAN

Valves, actuators, sensors, valve bodies, components and assemblies, temperature control and process control, data recorders

BELIMO

Belimo focuses solely on innovative technology in damper actuators and control valves.

BOSS PRODUCTS

Bulk coil cleaner, adhesives, specialty chemicals

Bell & Gossett®

BELL & GOSSETT

Pumps and valves, replacement parts, expansion tanks, heat exchangers, flow control, circulators,

BRISTOL COMPRESSORS

Manufactures hermetic compressors for residential and light commercial air conditioning, heat pump and refrigeration applications – and is one of the largest compressor manufacturers in the world

Cleveland Controls

CLEVELAND CONTROLS

Cleveland Controls has over 50 years of experience in the design, application and installation of a broad range of products that prove measure and control air flow. Cleveland Controls currently offers an extensive range of products designed for commercial, industrial and residential HVAC applications.

HVAC LINE CARD

CONBRACO

Actuator and controls, valves, gates and globes, pipeline strainers, back flow preventers

DANFOSS

Valves, pressure and temperature regulators, electronic controls, line components, filter driers, condensing units, compressors, heat exchangers,

Diversitech

DiversiTech's core product categories are equipment pads, condensate pumps, aftermarket replacement motors, and chemical products.

DWYER

Pressure, air velocity, flow, level, temperature, process control, humidity, air quality, test equipment, valves

Equimeter

EQUIMETER

Domestic gas service, as well as some commercial and industrial applications such as burners, furnaces, ovens, heaters and gas engines

Erie

ERIE

Modulating and Zone Valves, damper actuators, thermostats and controllers

FENWAL

Gas ignition controls, Temperature Control/Limit; Fire & Overheat Detectors,

Filtration Group

Solutions for a variety of filtration needs including HVAC, Liquid, Process, Oil & Gas, Paint & Finishing

FIREYE

Burner controls and flame safeguard, integrated and discrete scanners, igniters

FRANCE

FRANCE

France offers a complete line of ignition transformers and igniters for home, commercial, and industrial gas and oil burner applications.

GOODYEAR

GOODYEAR

Industrial hose, hydraulics, power transmission, conveyer belt, rubber track, v-belts

GLASFLOSS INDUSTRIES, INC

Pleated filters, fiberglass disposable panel filters, pads and bulk media, automatic roll filters, excel and purapak, Z-pak series, puracell

GC VALVES

Designs and manufactures world class solenoid valves

HVAC LINE CARD

HOFFMAN **ITT**

HOFFMAN

Steam vents, drain valves, thermostatic bear traps, steam vents, supply valves

Honeywell

HONEYWELL

Thermostats and controls, air cleaners, ventilation, humidifiers, fans and heaters, air coolers, commercial air quality

HYDROLEVEL

Hydrostat, water boilers, steam boilers, pump controller, flow switch

ICM CONTROLS

Condensate controls, enclosures, fan controls, hard starts, lockout protection relays

JOHNSON CONTROLS

Actuators, thermostats, valves, drives, current sensors, panels and enclosures, commercial, pneumatic controls

KMC CONTROLS

Pneumatic and electronic valves, controls, and actuators, thermostats, sensors, and valves

MARS

supplier of quality motors, components, and service/installation parts for the HVAC/R industry

MAXITROL

Regulators, gas filters, ball valves, combination controls, kits springs

McDonnell & Miller **ITT**

MCDONNELL & MILLER

Airflow switches, level controls, various valves, relief valves, water cut-off systems for boilers and water pumps

NU-CALGON

Coil cleaners, descalers, and refrigeration oils as well as products for water treatment, ice machine maintenance, and other specialty applications

PARAGON ELECTRIC, INC

Provide electrical solutions for pump houses, lift stations, and water wells

PARKER

Cylinders and actuators, fittings, gas generators, hose, piping, and tubing, motors, drives, and controllers, pumps, flow control, and valves, seals, and rings

HVAC LINE CARD

RANCO

Air conditioning controller, boiler controls, defrost timers, electronic thermostat, gas valves, temperature sensors, thermostats

POWERS

Control valves, temperature regulators, pressure regulators, actuators

PROMAX

Provides an efficient and reliable product for technicians to recover refrigerant in the field

REED

Leading supplier of test and measurement equipment

ROBINAIR

Vacuum pumps, replacement gaskets, fittings, hoses, hvac instruments

ROBERTSHAW

Thermostats, switches, controls, pneumatic, residential, commercial, moisture indicators, fan blades, motor protectors,

SIEMENS

Power and pneumatic controls, motors, sensors, and switches, transformers, actuators, thermostats

SPENCE

Valves, noise suppression, insulation and superheaters, pump protection, regulators, strainers

TIF

Gauges, gas detectors, refrigerant scale, pressure meter, refrigerant detector, thermometer, inspection scope

HVAC LINE CARD

TRERICE

Pressure gauges, temperature instrumentation, regulators and control valves

VERIS INDUSTRIES

Air quality, current monitoring, flow, humidity, leak detection, power metering, pressure, relays, temperature, test equipment

WATSCO

Largest distributor of air conditioning, heating and refrigeration equipment and related parts and supplies in the HVAC/R distribution industry, cam stat

WATTS

Boiler components, valves, fittings, pipes, switches, transmitters, actuators

WEISS

Manufacture thermometers and pressure gauges resulting in the development of a complete line of quality products

WHITE-RODGERS

Heating, ventilation, air conditioning, and refrigeration solutions for residential, industrial, and commercial applications
